

The middle schoolers started 2010 by serving dinner at Open Door Ministries with their Sunday school teachers and youth leaders.

Both the middle school and high school will serve in local and national ministries this year to help ease hunger and homelessness.

"For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me."
Matthew 25:36-37

High School seniors lead the way at the annual CROP Walk for Hunger. All youth participate in this national movement to raise money and awareness for hunger issues.
